

MUSIC ONLINE

Alexander Street's *Music Online* is the broadest and most comprehensive resource available for the study of classical, jazz, world, and American music.

NEW! Cross-search tens of thousands of items—all of Alexander Street's individual music listening and reference collections—via a single, unified search interface.

Continuously growing, *Music Online* now includes:

- 108,000 tracks of music in streaming audio licensed from hundreds of music labels
- 13,000 musical scores
- 45,000 pages of full-text reference content
- 285 hours of dance and opera videos
- thousands of liner notes, biographies, and images

Request free trial access for your library by emailing sales@alexanderstreet.com
