**YOU ALREADY KNOW ABOUT THE NAXOS MUSIC
LIBRARY ... NOW YOU NEED TO KNOW ABOUT
NAXOS MUSIC LIBRARY: SHEET MUSIC**

What is Naxos Music Library Sheet Music – powered by FreeHandMusic.com?

- The Internet's largest online sheet music catalogue... over 40,000 editions of classical music, jazz
- Everything from Bach, Mozart and Beethoven to Strauss, Albéniz and Debussy.
- Thousands of original sheet music editions from Universal Edition, Josef Weinberger, Chanterelle, Pizzicato, Zen-On, Oxford University Press, Schott, Sikorski Musikverlage and many others.
- Exclusive archive collections such as Göteborg Library and Uppsala University Library
- Editions by leading artists including Chick Corea, James Galway, Steven Isserlis, Joe Lovano, David Liebman ...

How does it work?

- An annual subscription allows you to print and download sheet music from the FreeHandMusic.com
- Log on through IP authentication (just like Naxos Music Library)
- Individual users browse the catalogue, then download and print their own copy of our high quality editions.
- FreeHandMusic.com pays the copyright holders – the publishers, artists, composers and editors.

Why use digital sheet music?

- Make physical deliveries a thing of the past.
- Save all costs involved in purchasing printed editions ... such as shipping, administration, waiting, checking in and out, damaged goods, lost shipments ...
- Provide better service and reduce the costs of acquiring sheet music products.
