

From the President

Dear colleagues,

I had hoped that the next CAML meeting might be held jointly with the Music Library Association/Pacific Northwest Chapter's annual spring meeting. Unfortunately, that proved impossible to arrange, but I expect that a good number of our PNW Chapter colleagues will join us in Vancouver in May. The CAML conference will be held May 30 to June 1, at the University of British Columbia.

Our 1996 meeting will mark CAML's 25th year as an independent organization. It is my hope that many of you will come to Vancouver to help celebrate our 25th birthday. Plans for the conference are proceeding apace, although program suggestions are most welcome. If you have a project or a topic about which you would like to speak, please contact Debra Begg (Program Committee Chair), Thomas Quigley, or me. A visit to the new Vancouver Public Library, with its stunning architecture, is certain to be a highlight. We may also get a "hard hat" tour of UBC's new Koerner Library, which is scheduled to open in September 1996.

I hope that you will consider combining this meeting with a vacation, and spend some extra time on the West coast; the list of places to visit, and things to do, is limitless. The baseball fans amongst you won't want to miss a game at Nat Bailey Stadium, a classic old-fashioned ball park with a million-dollar view.

In closing, I would like to thank Cheryl Martin for producing another excellent Newsletter.

Best wishes for the fall and winter.

Kirsten Walsh
President

Numbering Correction

The last issue of the Newsletter was numbered incorrectly. The Newsletter published in August 1995 should have been numbered vol. 23, no. 2. The Editor apologizes for the error.
