

FROM THE MEMBERSHIP SECRETARY

PLEASE NOTE A CORRECTION TO THE MEMBERSHIP LIST:

My new phone number is (613) 788-2515.

I would like to thank all the members who have thus far renewed their membership, and trust that those who still remain delinquent will pay up soon! Remember that only members in good standing can stand for nomination in CAML elections, and vote in these elections. I would also like to voice some requests regarding ways in which you can help to make life easier for the Membership Secretary.

1. Please let me know if you change your address. Yes, I know this seems a very logical thing to do, but it is by no means obvious to everyone!

2. If you decide that you do not wish to renew your membership -- and although we are always sorry to lose members, we realize that this does happen -- please inform me of this. I do not wish to interpret a lack of response, even after a reminder, as an automatic indication that your membership should be cancelled. If this is your decision, please save CAML and me some time and expense, and let me know.

3. If your institution, or some other body is paying your dues for you, please return the invoice, or a copy of it, to the Membership Secretary indicating this. Payment can arrive for an individual or and institution without any indication as to who it is for. Sometimes this can be determined by process of elimination, or by the origin of the cheque, but not always.

WANTED!

A new Membership Secretary will be required to take over duties in June 1990. This is a two-year position, appointed by the Board of Directors, and is renewable.

Institutional support for this job is an asset, probably an essential one. Access to a PC is also useful, as I currently have the membership list, forms, and invoices running on PFS First Choice and dBASE III+, so it would be nice to be able to hand over the information on floppy disks. All enquiries are welcome, and any CAML/ACBM member who is interested in doing the job, or just finding out more about it should please be in touch with me or with the President, Debra Begg. There must be someone out there wanting to get involved in CAML/ACBM activities!
